

CHECKLIST for Self-Checkin

1. **Your Raft** is located under the river bridge.
2. Raft Sizes: **S** (31-32), **M** (50-59), **L** (80-89)
3. Your **Code** for the lock is printed on your ticket.
4. Check the **Air** of the Raft. It should be firm.
5. **Dry barrel/Dry Bag** (1x pro Raft)
6. **Paddles** and **Life Jackets** for all participants
7. **Landing Technique**: obliquely against the current. Once on shore, immediately jump out and hold the raft. This is how you landing succeeds.
8. **Exit in Sachsenburg**: **ATTENTION** only 2024!!

Due to a construction zone we have a temporary exit for 2024 in the center of Sachsenburg. So after passing under arch bridge follow the river for 500m around the right curve. Keep close to the shore (3m) and look out for the yellow signs "DRAU BOOT"! Exit and carry the raft to the appointed return area!

9. **Return of Equipment**: It's forbidden to let the equipment on the beach! Please carry your raft 20 Meters to the top where the return point is. Please leave it in front of the stone wall. Leave Paddles, Life Jackets in Box, pile rafts. Send us a PICTURE from your returned Raft via WhatsApp <http://wa.me/4366475091450> oder an info@draubootsvermietung.at Thanks!

10. **Return Journey**: The train station "Sachsenburg Markt" is only 5 Minutes (upstream) away from the Exit Point. Trains go every hour. You can also find Restaurants and Cafes in the center of Sachsenburg.

11. **Discounts**: If you booked with a Coupon Code **Rabattcode** of the Carinthia Card, please send us a picture of it. WhatsApp <http://wa.me/4366475091450> SMS +4366475091450

Thank you and have fun.

The most important flow rules

- Do not tie boats together. Do not tie children or dogs to the boat
- Avoid driftwood and trees
- Before a bridge, straighten the boat and steer between the piers
- No dives off the boat
- Always leave enough people on the boat to maneuver the boat
- Always land behind an obstacle
- Prepare in advance for the boat to land
- Missed the exit point? Find the next opportunity to land the boat.
- At thunderstorm leave the river. In case of hail use boat as roof.
